2026 IEEE International Conference
on Robotics and Automation
VIECON - Vienna Congress & Convention Center

Invitation to Partner

Dear Colleagues,

All is set for ICRA 2026 in Vienna to become a truly memorable event, designed to appeal to you and to all the members, young and old, of our growing robotics and automation community. We are delighted to invite you all to ICRA 2026, the world's most prestigious robotics conference, which will take place in Vienna from 1 to 5 June 2026. As the flagship conference of the IEEE Robotics and Automation Society, ICRA will offer a world-class programme. Under the theme **'Robots for all'**, we look forward to presenting new research results and key innovations in robotics and automation that have a clear and obvious global benefit for human society.

Vienna claims to be the cradle of modern technology. It was here in 1770 that Wolfgang von Kempelen first amazed emperors and aristocrats and then the masses with his chess-playing 'robot', the 'mechanical Turk'. Even though the 'Turk' turned out to be an ingenious hoax and the automaton concealed a small child with great talent, the enthusiasm it triggered can still be felt two and a half centuries later. Robots are spreading into all areas, from automation and production over a large diversity of professional service applications to entering the more private areas of our homes.

At ICRA 2026, we expect more than 7,000 of the world's top robotics experts and industry leaders to be here in person in Vienna. We are delighted to invite your organisation to play a leading role at ICRA 2026 by taking advantage of one of the many exciting opportunities given in detail in this prospectus. Opportunities extend from the conference venue and exhibition area over exclusive deals to the conference banquet, which will take place at the Imperial Palace and the Spanish Riding School of Vienna, both exclusive locations whose interiors are seldom open to the general public. Whether as a partner, sponsor or exhibitor, you will gain access to a range of valuable industry benefits.

We will make every effort to facilitate fruitful interaction between you and other ICRA attendees, from early career PhDs and postdocs to leading robotics experts and their institutions. With over 8,000 sqm of exhibition space dedicated exclusively to our industry, your organisation will be able to enjoy great visibility in the research and industrial community, gain first-class access to the talent programme, and benefit from the numerous content delivery opportunities. ICRA 2026 provides the perfect platform for organisations to network within the global research and technology innovation community.

Come and join us in the wonderful city of Vienna for ICRA 2026! We plan for nothing less than an unforgettable experience – both professionally and personally.

Yours Sincerely,

Markus Vincze
General Chair ICRA 2026

Connect in-person with more than 7,000 leading roboticists!

More than 7,000 professionals will come from academia and industry where they are hard at work in developing the next generation of novel algorithms, experimental and commercial robotics, and intelligent systems, products and services.

Enhance your brand image, position your organization as an industry thought leader, and get access to top talent in the field by taking advantage of an exhibition and partnership opportunity at ICRA 2026.

Join us and enhance your brand with the world's top robotics researchers!

ICRA offers your organization a menu of opportunities to extend your brand message beyond your exhibit space and throughout the convention center. There is an opportunity to achieve every marketing objective for every exhibition budget.

On the following pages we offer you 3 options to become part of ICRA 2026:

A) Become an Exhibitor

Select an **Exhibition Opportunity** or, if you have already selected a Conference Partnership Level, consider adding exhibition space to maximize your presence in the exhibition hall.

B) Conference Partnership

Select the **Conference Partnership** Level most appropriate for your industry standing and brand image.

C) À la Carte Partnership Opportunities

Choose from the **À la Carte Partnership Opportunities** to further extend your brand message with each conference attendee.

A) Exhibition

MEET GLOBAL EXPERTS IN ROBOTICS AND AUTOMATION!

The Exhibition Hall will be a key part of the Conference experience from Tuesday, 2 June through Thursday, 4 June. The conference schedule is designed to give attendees plenty of chances to explore the exhibition area, where they can discover cutting-edge robotics technologies and products while connecting with industry leaders and exhibitors. The hall will also host various activities, including competitions, coffee breaks and lunches. Secure your exhibition space today!

Exhibition Space Rental (minimum size 9 sqm) — Standard sizes available: 9, 18, 25, 27, 36 sqm. Special or bigger booth sizes have to be discussed with the Exhibition Team before booking.

All given rates are subject to 20% Austrian VAT (if applicable) and 1% Austrian Contracting Fee.

General Information

Conditions of Payment

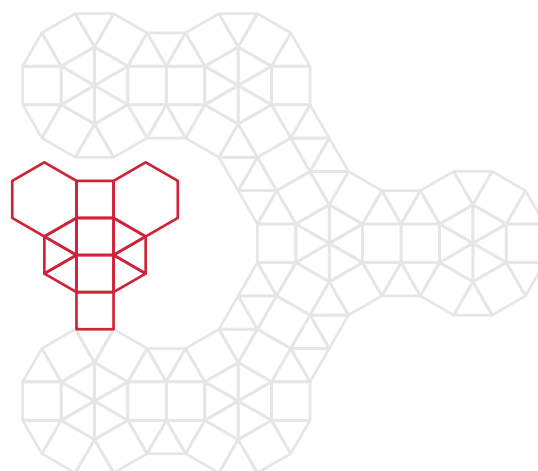

- + 50% of your total owing will be due upon confirmation of your partnership opportunity and/or exhibition space booking, within 30 days of receiving invoice.
- + The 50% balance owing will be due 19 January, 2026. Bookings submitted after 19 January, 2026 will be required to pay 100% of the total owing upon confirmation.
- + Failure to pay outstanding invoices by due dates may result in your partnership opportunity or exhibition space booking being released for sale.

Booking Conditions

- + Bookings must be received on the official Online Booking Platform for Partnership Opportunities and Exhibition Space Bookings. An invoice will be issued upon receipt of this booking. The official Online Booking Platform is available at 2026.ieee-icra.org.
- + Partnerships or exhibition space will not be assigned without a confirmed booking and deposit payment upon receipt of invoice.
- + The Conference Organizer reserves the right at their total discretion to decline any booking.
- + All payments must be made in EURO. See payment details on the Online Booking Platform.
- + Payment can be made via bank wire transfer or credit card.
- + If full payment is not received by the due date, the Conference Organizer has the right to review the partnership and / or exhibition commitment and withdraw the application.

Cancellation Policy

- + In exceptional circumstances, the Conference Organizer will be prepared to consider cancellation of the contract with a partner or exhibitor, but only if the following conditions are complied with:
 - + That the request for cancellation is submitted in writing;
 - + That the reason given for the cancellation is, in the opinion of the Conference Organizer, well founded;
 - + That the partner or exhibitor agrees that the Conference Organizer shall retain 50% of the contract price if the cancellation is accepted before 31 January, 2026, and 100% of the contract price if the cancellation is accepted on and after 31 January, 2026.
- + Cancellation will not be considered if the Conference Organizers deem that partnership entitlements have already been provided prior to the submission of cancellation.
- + **Important Information:** Orders for modular booth elements, power supply, booth furniture, AV, IT, plants, etc. must be placed via the official booth construction company StandOut. The link to the webshop will be published at <https://2026.ieee-icra.org/partners/>
